BMW K 1600 GTL

The BMW K 1600 GTL offers performance touring that leaves nothing to be desired. Its powerful six-cylinder delivers even more dynamics and sovereignty: Thanks to the comfortably designed vehicle geometry, you can enjoy every kilometre to the fullest. And the cockpit has also been redesigned, so that you can enjoy every tour even more consciously and intensively. It is completely geared towards interacting with you because this is where we start travelling together.
